The Long Island Road Runners are proud of our Men's and Women's Race Teams. The teams provide competitive but friendly competition at races from March through December. It's a great way to meet fellow runners. It's not about being fast! It's about scoring in competition against other running teams. It's a lot of fun, too! Interested? Please contact the following Race Team Captains for more information:

Men's Team: Fred Haslett - justrun53@verizon.net

Women's Team: Marie Brewer - marie9105@aol.com or Teresa Tribble3@yahoo.com
